

DCMC's operations and long-term development are being supported through a unique three-part business model that integrates the revenue streams of three **separate** organizations:

Nonprofit, independent funding for operational and capital needs

Revenue-generating, cost-center based, private medical center

Independent, for-profit, social enterprise businesses

**Minneapolis-based 501(c)3 Supports:**

- DCMC capital and operational needs
- Medical education partnerships
- Medical education scholarships for Tanzanians
- Equipment and supplies

**Tanzania-led Health Center:**

- Community Health
- Dental Clinic
- Reproductive & Child Health Clinic
- Outpatient and Short-Stay services

Serving thousands  
50 local jobs

**Businesses Include:**

- Water bottling
- Grape growing
- Brick making
- DCMC construction

20 local jobs
